

Score Sheets Explained

Your Name.

The Type of Bow You Shoot.

Score or Dozen Total.
The two End totals added together.

The Date You Shoot.

The number of 10's in that Dozen Including X's.

Arrow Values.

E/T or End Total. The 6 arrow values added together.

Your Signature.

The Signature of the archer who filled in the score sheet.

All above scores added up.
This should also be the same as the final Running Total. A way to double check your addition, so don't just copy the Run/T.

The Totals for the above boxes.

PLEASE REMEMBER TO USE BLACK OR BLUE INK

Run/T or Running Total.
This is the previous Run/T added to the current Score (Dozen Total).
For example, $186 + 89 = 275$.
