AOB

Kenny asked that the Committee be made aware of any ideas members might have to improve any aspect of the Club

We should have some times allocated for Clout shooting – Chairman agreed to bring this up at a committee meeting

We still need to find a source of a booklet on Health and safety. Writing our own is a possibility.

We should appoint a Field Captain each time we shoot. After discussion the meeting suggested 2 each time we shoot, no range fees for them and they could alternate shooting details so one “on duty” at a time

Meeting closed 7.02 pm
