

## Wymondham Archers

Minutes of Committee Meeting 14/09/2015

Attendees:

Andy Beer	Paul Judkins	Nick Brooks	Jeff Arnold
Sally Woollorton	Gillian Harris	Chris Peachment	David Morley

1. Equipment: We have enough targets and cubes for the time being, but a number of smaller items have been identified. Andy to provide a list to Jeff, who will make the purchases. *Post meeting note:* Following a break-in at Fakenham Bowmen's site, where the lock on a container was cut, it was decided to upgrade the lock on our own container. Although the circumstances are different, the school grounds are not secure, and a good lock could save thousands of pounds worth of equipment.
2. Range orientation. This has been well received, but the lateral separation will be checked against GNAS recommendations to ensure safety when retrieving.
3. Finance: Bank and cash assets \$4859.84. Gnas fees are due, and members will be encouraged to pay in order to keep shooting. There are hall hire fees of £220 outstanding. A new supply of club shirts needs to be investigated. Gillian to make some enquiries. NAA and SCAS affiliation fees are also due at the end of the month.
4. Internal competition: This was well attended and considered successful. Thanks to all who took part and helped behind the scenes.
5. Steve Ralphs visit: Andy is progressing this. Steve has been on a film set and unavailable recently.
6. Christmas meal: Some people were disappointed with the Green Dragon last year. A suggestion of a "bring and eat" style party on a shooting night was well received. Members need to commit to providing something for the night.
7. Website: A new section was proposed for records and achievements. Andy and Gillian to work on the format, with the intention of encouraging members to progress in the sport. A list of non-shooting dates for the next 3 months has been posted.
8. Next Meeting. The next committee meeting will take place on Monday November 9th, 7pm
