

Wymondham Archers Committee meeting 25 July 2016

Minutes of meeting.

Apologies for absence: Andy Beer.

1. Minutes of previous meeting. Agreed without change
2. Equipment. Jeff would like to swap out some of the regular use targets for maintenance and repair, using the spare frames and bosses. Extra people required to manhandle the targets on a Saturday. This will also use the thinner bosses which were part of the set-up grant. There will be older cubes available for club members after this exercise. Loan kit needs to be signed out and back in, checked by a committee member, to avoid losses. Some replacements are needed, Jeff to visit Clickers.
3. Treasurer. Signatures on the bank account have been updated. Pete will review the assets and produce a written report for the next meeting, with a review of club finances and fees. The coaching courses for Andy, Paul and Fay were paid for.
4. Competitions. Despite Sarah and Pete's best efforts, the club was excluded from the inter-club competition second round. Disappointing, but maybe better next year. 252 competition: Sarah will manage this and produced draft rules and score sheets. She is also getting a quote for award badges. A similar progression system for Portsmouth rounds will be considered for indoor sessions.
5. Website. Gillian has been spending a lot of time firefighting against malicious attacks from eastern Europe. She and Pete will be progressing the link to Twitter and Facebook.
6. Secretary. Ontarget – an information pack has been received – Andy to review and advise. Archery GB fee structure has changed, and junior clubs no longer receive dispensation, so will be incorporated into the main membership. Juniors will now have to pay an annual fee, but this will also apply to seniors between the ages of 17 – 24. After last year's delays, renewals need to be in by September 1st. Nick to produce a notice to advise members and encourage renewals ASAP. Nick to contact the school for a list of non-available dates up till Christmas, also possible use of the gym if the hall is occupied.
7. Next meeting: September 19th 7:00
