3. Matters Arising

None

4. Action Points Update

None

5. Secretary's Report

Sarah talked about the club Id badges and explained that to get them done for members with their names on was proving to be difficult and very time consuming, and that it was also hard to get them to new members. She suggested that generic badges could be used so that members can be given one when they join as there can be some already made up. They will still have the membership year and the club logo on them but no names, as we have a short year Sarah will start this in September 2018. This was agreed mutually. She also talked GDPR and explained that she was in the process of producing a new application form for members and beginners courses.

6. Treasurer's report

40 Member Renewals so far and 3 New members since the new Club year. We have had a profit of £545.79 and currently hold £7,027.69 at the bank.

7. Records Officer

Update next Meeting.

8. Competitions Officer

The Rugby club not charging us for the use of the field for the competition this year, which will help financially in this first year. Sarah has arranged the date for the 2019 competition to be on 22nd and 23rd June, the field is provisionally booked and judges are booked also. The reason for changing the time of year is because we will not be

able to have it in September due to the rugby season and the June dates were the only ones that didn't clash with other Local Competitions.

9. Coaching Officer's Report

The beginners course dates have been set for

Sally Palmer has kindly produced a poster for us advertising these. There was a discussion regarding the advertising of these, Amy and Sophie offered to ask if they would be able to advertise at Wymondham Collage. The Wymondham Mercury was talked about as a possible way to advertise Nigel was going to look into pricings. Pete to look into writing a story about Amy's success as this may be something they may add into the paper. Iain is going to look into the Adult Education side and if there is an avenue we could explore.

10. Website and Social Media Officer

Gillian is going to set up a more secure site and is going to arrange what we need to do this, Dan has agreed to assist her with this.

11. Junior Officer's Report

Sophie and Amy suggested having boarding students at Wymondham Collage bussed to the school for beginners' courses as this may be simpler than having us go to the collage. They are going to try and discuss with the head at the collage to see if this would be possible. They also suggested opening an Instagram account as they find that most younger people use this platform rather than Facebook or Twitter. It was agreed that any pictures posted would not contain images of any U18's and picture with people in would only be posted with the approval of the person in them.

12. Chairperson's Report

Pete said that the club is going well, and we are making great progress. He went on to discuss the next two points.

13. Have A Go's

Pete talked about several opportunities for Have A Go's this summer. These are: -

Saturday 7th July Ashleigh **Rejected**

Sunday 8th July Lady Belt **Approved**

Saturday 28th & Sunday 29th July The Collective at Spixworth **Approved**

Sunday 23rd September Wymondham Rugby Club **Approved**

We talked about having a sign-up sheet for helpers for all these events.

14. Indoor Venues 2018/2019

There has been no further information regarding the possibility of an extention to the canteen and hall at the school. If this does happen it may mean that we would be unable to shoot at the hall. Pete has been looking into alternative venues and has contacted or visited 16 venues so far. Out of these there are two possible choices for new indoor venues, these being Wrenningham Hall which is about 3 miles away and Connaught Hall in Attleborough. It was discussed and agreed that Connaught Hall was too far away from Wymondham. Wrenningham hall would have availability on a Tuesday Thursday and a Saturday and would cost £36.00 for 3 hours. The only issue it that the entrance to the toilets is half way down meaning it would be to the side of the range. It was agreed that we would put it to all club members and give them the options to see what they think about the possibility of moving the indoor venue and be open about the changes to shooting nights etc.

15. Any Other Business

Nigel Bailey talked about the sad death of a previous club member Kevin Wilton. We had talked via Nigel about donating some money to the Air Ambulance who were a great help in his time of need. Pete is going to write to his widow Christine expressing our sadness of her loss. It was agreed to donate £40.00 to the Air Ambulance.

Sarah Proposed changing the fee for beginners' courses for anyone who is U25, this would fall inline with the AGB fee structure and also help us to be more competitive with other local clubs. It was agreed to reduce the fee for U25's on beginners' courses to £35.00.

We talked about our Visitor Fees and the possibility of raising these to fall inline with other clubs. It was proposed to increase these to £5.00 but more discussions regarding when we should do this need to be had.

16. Date of next meeting

The next meeting will take place on **21st May 2018, 6.45pm for 7.00pm start.**

This is a true record of proceedings.
