

252 Progression Award

Wymondham archers are proud to introduce the 252 progression award. The 252 award is designed to help you develop and practice, challenge you by introducing different distances, recognise your achievements and most importantly be fun.

Shooting will involve six sighters followed by three dozen arrows at your selected distance on a 122cm face, all distances are in yards. The distances that can be shot at are- 20, 30, 40, 50, 60, 80 and 100yards. The aim being to get the required score for your bow type at that distance, (please see the table below). If you shoot the required score twice on separate days, you can then claim the award. Badges cost £2.00 each.
