7. Issues with AGB:

There is a perceived increase in admin caused by AGB, but as a Club we have not experienced this, as we have very robust systems already and can cope with the changes easily. This has however created an exodus of many clubs from AGB due to the administration overhead and increased costs. As a club we use a lot of AGB services : Insurance, coach training, safeguarding, etc.

Committee voted to continue to stay with AGB due to all the services provided.

Pete will attend seminars run by AGB this year to obtain updates on how processes will be improved by AGB for clubs.

All associate members are checked that they are members of AGB. So far all have been members of AGB
